Students wishing to enter with their friends as a Duo / Trio can share private lessons. Please contact us directly to assist with booking these.

Soloist / Duo / Trios Programs

If students are training across more than one genre (i.e. they wish to perform as a Sport Aerobics Single and a Dance Soloist), students may be able to take one private a week to cover both. Please contact us if this is the case for your child and we can suggest the best training program for your child.

Musical Theatre / Glee

Students wishing to perform at competitions representing SCYT, as a soloist, or in a duo / trio, in Musical Theatre / Glee, will need to attend private singing lessons.

FAQs - What do I bring to class?

Students are asked to wear appropriate clothing and footwear to their class. If you are unsure what this may be, then please don't hesitate to clarify. Students are asked to always have a water bottle with them. Acting, Musical Theatre and Glee students are also asked to have a folder in which to put scripts / sheet music etc, and a pencil for making notes.

FAQs - Can I start mid year?

Most classes can be commenced at any point throughout the year, however we do advise it is generally best to join at the beginning of a Term. Some classes (which may be working towards a performance for example) may close off through the Term. If this is so, SCYT staff will advise of the next appropriate intake date for your child.
